It's been said,

"Those who eat well, live well."

It's about having your fill of good food and fine wine. It's about gathering with friends and family to enjoy each other's company. It's about living the Italian way, taking as much time as you want to sit back, relax, and savour a great meal with your favourite people.

This is what The Parlour is all about.

freshTAP Wine on tap is good for the planet: eliminating caps, corks and cartons – less packaging, less fossil fuels used to ship the wine, less glass, less trees cut down for labels and corks – it's a good thing.
